Bangalore.

Sir,

With reference to your letter No.D.1073/C.S.4-30-3 dated 22nd July 1930 calling for proposals in the matter of giving additional work to the Deputy Registrar of Co-operative Societies, I have the honour to state as follows:-

2. Government have already in their order No.G.12698-716/Sany. 21-28-15 dated 12th April 1929 directed that the Deputy Registrar will work under the general control of the Registrar but will be responsible for all the details connected with the Land Mortgage Banks work and accordingly have in their Notification No.G.9537/L.M. 8-29-3 dated 12th February 1930 conferred certain powers under the Mysore Co-operative Societies Regulation No.VII of 1918 and the Rules thereunder on the said officer.

3. Now that the Land Mortgage Bank has been organised and all details connected therewith have been settled and 13 primary Land Mortgage Societies have been started in the four Taluks to which the operations of the Land Mortgage Bank extend and that the working of the Land Mortgage Societies should be closely examined and supervised by the same set of officers so as to prevent overlapping of functions of the ordinary credit societies on the one hand and the Land Mortgage Societies on the other, as contemplated in the recommendations of the Royal Commission on Agriculture in India, and in view of the fact that the Deputy Registrar has no separate

executive

executive staff under his control, I am of opinion that he can exercise better control over the Land Mortgage Societies and the Land Mortgage Bank if he is designated as the Deputy Registrar of Co-operative Societies and Personal Assistant to the Registrar of Co-operative Societies. Then he will be able to exercise proper supervision over the Land Mortgage Societies and also over the ordinary credit societies working side by side, in the Taluks to which the lending operations of the Land Mortgage Bank extend. At present the Deputy Registrar has no control over the credit societies working in the Taluks referred to above. As the posts of the Sub-Assistant Registrars, one of whom is my Personal Assistant at present, have been proposed to be abolished and two more Divisional Offices created at Chitaldroog and Kolar, the appointment of the Deputy Registrar as my Personal Assistant is very necessary. The Mysore Co-operative Committee had recommended (vide para 231 of their report) that the Registrar should be assisted by a senior officer of the status of a Deputy Registrar so as to leave him free for more important work. In Madras, the Registrar has got a personal Assistant of the status of a Deputy Registrar. I therefore beg to submit the following proposals for the favourable consideration of Government:-

1) The appointment of the Deputy Registrar sanctioned temporarily for a period of two years in G.O.No.G.12698-716/Sany. 21-28-15 dated 12th April 1929 may be made permanent and the officer designated as Deputy Registrar of Co-operative Societies and Personal Assistant to the Registrar of Co-operative Societies.

2) In modification of Government Notification No.G.9537/L.M. 8-29-3 dated 12th February 1930 conferring certain statutory powers on the Deputy Registrar of Co-operative Societies, the following powers may be conferred on him:-

(a) Power to audit or inspect or cause to be audited or inspected the working and transactions of Co-operative Societies (Section 17) and power to hold enquiries etc.,

etc., and apportion costs under Sections 35,36 & 37 of the Co-operative Societies Regulation.

(b) Power to summon meetings of Co-operative Societies and to call for information and returns from them (Rules 19 and 20 of the Rules under the Regulation).

(c) Settlement in person of disputes and appeals on the decisions of the Assistant Registrars and Arbitrators referred to him by the Registrar, the settlement being final where the subject matter of the dispute or appeal does not exceed Rs. 1,000/- in value and subject to confirmation by the Registrar on appeal preferred within thirty days from the date of such settlement in other cases.

3) The office of the Deputy Registrar will be amalgamated with that of the Registrar and the ministerial and menial staff at present working under the Deputy Registrar will be transferred to the Registrar's office and will be borne on the establishment of the Registrar. Consequent on the heavy increase of work in Registrar's office owing to the increase in the number of societies, number of Inspectors, number of subordinate offices, and land mortgage operations, this ministerial staff consisting of a steno-typist on Rs. 50/- and a clerk on Rs. 50/- now working under the Deputy Registrar and sanctioned temporarily till the end of April 1931 may be confirmed so that the subordinate divisional offices of Shimoga, Mysore and Tumkur where the work is heavy, may be provided with senior clerks to cope with the increase in work and a redistribution of hands effected, as shown in Appendix A, in modification of the statement submitted with my letter No.630/C.S. dated 24th July 1930 submitting proposals for the formation of two more divisional offices at Kolar and Chitaldroog.

Of the menial staff of 5 peons on Rs. 12/- each sanctioned to the Deputy Registrar's office, the posts of three peons may be made permanent

permanent and two abolished as the combined office can manage with the existing number of menials on office duty. The savings effected by the abolition of these two posts will be utilised for the reorganisation of the pay of the menials for which separate proposals will be submitted in due course. The proposed distribution of the menial staff of the combined office is shown in Appendix B.

I beg to request that the above proposals may be sanctioned early.

I have the honor to be,
Sir,
Your most obedient servant,

K H Ramaya

Registrar.

Dear Mr. Noronha,

Your D.O.No.D.8514/C.S.4-30-4 dated 20th February 1931 forwarding a draft copy of the G.O. proposed to be issued regarding the powers and duties or the Deputy Registrar of Co-operative Societies.

Para 2 may be recast as follows as it is considered desirable that a senior officer of the status of the Deputy Registrar should be directly responsible for the successful working of the Land-Mortgage Societies which cannot be said to have yet passed beyond the experimental stage:-

> "Government are pleased to approve of the above proposals generally. They are however of opinion that for the work connected with the Land Mortgage operations, a senior officer should be held directly responsible and are accordingly pleased to direct that while the inspection and supervision of Land Mortgage Societies may be entrusted to the Assistant Registrars of the Divisions concerned as proposed by the Registrar, the Deputy Registrar should be directly responsible for the starting and development of the Land Mortgage Societies".

Yours Sincerely,

Sir,

With reference to your letter No.D.8847/C.S.4-30 dated 11th March 1931 in the matter of the Establishment of the Deputy Registrar of Co-operative Societies, I have the honour to state that in view of the fact, that his office will be amalgamated with my office, I had already suggested the retrenchment of the posts of 2 menials on Rs.12/- each out of the present menial establishment of five peons on Rs.12/- each, sanctioned to him (2 peons for office work and 3 peons his orderlies). The retrenchment of the post of another menial will work as a great hardship in view of the fact that three orderlies have to be provided to the Deputy Registrar. Out of the existing 12 hands sanctioned to the Registrar's Office, 4 are my orderlies, one is a night Watchman, one a Cycle Orderly, one is a Mutchi and the rest viz., 5 ordinary peons including one Jamadar and one Daffedar. With the retrenchment of the 2 peons of the Deputy Registrar's Office, already accepted by me, I will have to spare two of these 5 men for work under him. But in view of the financial stringency referred to by Government, the post of another menial on Rs.12/- in the Deputy Registrar's Office may be retrenched and I shall spare one of the Office peons to work under him as the 3rd orderly.

With regard to Clerks, I have to state that there are two Clerks at present working with the Deputy Registrar. The Deputy Registrar is expected to exercise special scrutiny over the working of the Land Mortgage Bank and the Land Mortgage Societies. The loan applications of the Land Mortgage Societies have to be scrutinised with special care in view of the fact that Government have guaranteed the debentures of the Land

P.T.O.

Land Mortgage Bank and therefore one Clerk is absolutely necessary exclusively for work connected with the operations of the Land Mortgage Bank. It may be pointed out that though the Office will be amalgamated with mine, there will be no reduction in work. I have already represented that ever since I was appointed as Special Officer for the amelioration of the Depressed Classes the correspondence work of the office has increased considerably and that with the rapid increase in the number of societies during the past three or four years, the work has very nearly doubled. Even at present, the office is overworked, and any further reduction will only result in dislocation. I therefore earnestly request that the establishment of 2 Clerks and 2 (two) peons at present working under the Deputy Registrar may be placed on a permanent footing as already ordered in the draft of the order.

I have the honour to be,
Sir,
Your most obedient servant,

K H Ramaya
Registrar.

Sir,

With reference to paras 4 and 5 of Government Order No.D.9293-4/C.S. 4-30-6 dated 1-4-31 regarding the inspection of some special societies, by the Registrar and the Deputy Registrar of Co-operative Societies and calling for a programme for the current calendar year, I have the honour to state that the number of societies which should be inspected by us two according to para 4 of the Government Order comes to nearly three hundred and although the inspection of all these societies during the year is difficult of achievement, every attempt will be made to complete the inspection annually. I shall, of course, also keep personally in touch with the working of the societies in the former Districts and inspect some of them in the course of my tours. I may add that so far we have inspected 131 societies during the calendar year as per particulars noted in the margin.

1.Registrar of C.S. 78)
2.Deputy Registrar 53)

Close attention will be paid during the inspections to rectifying the defects in working, consolidation and improvement of the societies and brief particulars of the action taken will be indicated in the monthly tour journals of myself and the Deputy Registrar which are being submitted to Government. I shall also submit ~~the~~ to Government for information half-yearly in July and January, a consolidated report showing the action taken by the societies and the results achieved by the inspections. I request
